Johar Traders

<http://www.johartraders.com/>

We are acclaimed retailer, wholesaler, and trader of food processing machinery, since we have started our operations. All our products are designed to meet the needs and requirements of the customers.

About Us

Started its operation in **2010**, **Johar Traders** have been acclaimed retailer, wholesaler, and trader of food processing machinery. We offer an array of products which comprises Pulverizer Machine, Sewai Machine and Wet Grinder Machine. Our range of products is of high quality as they are sourced from vendors who are authorized. Before making a vendor selection, we conduct market research and on that basis we choose a vendor. The products which are being sourced are also quality checked at our end and during the process; we make sure that we meet the industry standard. In an endeavour to serve in a better and a superior way, we make sure that the products and services offered by us meet the satisfaction of the customer. We are a customer centric firm, delivering our customer a product which is easily maintained and installed, easy to clean, proficient, competent.

Our entire range of products consumes less energy, the robust nature makes them durable and the modern technology makes it long lasting. By offering a quality of products to our clients, we have been able to achieve a distinctive position in the market. At our firm believe in building customer relationship and through our superior services we are one of the recognized firm engaged in trading and wholesaling of machineries. Our infrastructure is capable enough in delivering bulk orders at the given time and at a valuable price.

Mr. Yakub Johar and **Huzefa Johar** have...
