**LATE S. BHAJAN SINGH KALSI**

(LEGENDARY FOUNDER OF M/s. BHAJAN SINGH & SONS)

### ABOUT US

M/s. Bhajan Singh & Sons is one of the leading manufacturers of Juicer, Mixer, Grinder and Food Processing Machinery under the trade mark "**KALSI**". Bhajan Singh & Sons was founded in 1970 by Late S. Bhajan Singh Kalsi who migrated to Ludhiana from Lyallpur (Pakistan) during the partition.

The company follows international quality standards and has been awarded with certification of ISO 9001-2008. The company has marketed its products in India as well as in foreign countries.

M/s. Bhajan Singh & Sons has been awarded by Indian Economic Development and research Association (IEDRA) a **Gold Medal** along with many promotional awards like **Bhartiya Udyog Rattan Award, Rashtriya Udyog Samman Puraskar and Punjab Rattan award.**

The management of Bhajan Singh & Sons believes in dynamism and change. This is the reason it introduces new products from time to time. The company has acquired experience and expertise to fulfill the requirement of its customers. It has team of qualified and experienced engineers to improve the quality of the products day by day. Company meets the large demand of products with quality assurance.

The plant is equipped with modernistic machinery and it has the latest equipments including computerized machines for designing, manufacturing and testing. The plant is equipped with in-house ferrous and non-ferrous foundry & pressure-die-casting machines which improve the quality of the product.

We, the management of Bhajan Singh & Sons assure to deliver the highest quality of products.
